DEDICATION

We, the seniors of 1966, would like to dedicate this edition of the "Cavalier" to those who have affected our lives the most during the past twelve years--our parents.

The advice and guidance you have given will undoubtedly help to mold our futures. You deserve thanks for the time, patience, and understanding you gave us when we encountered problems. We hope that someday your efforts will be rewarded when each of us reaches his goal.

We know that this dedication is a small gift compared to the knowledge and wisdom we have received from you, but it is one way in which we can say "THANKS" to you, Mom and Dad.
